Me translating
this chapter be like

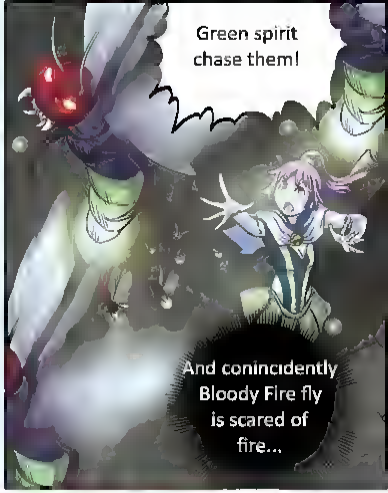
.....

esdward.exe
stop working

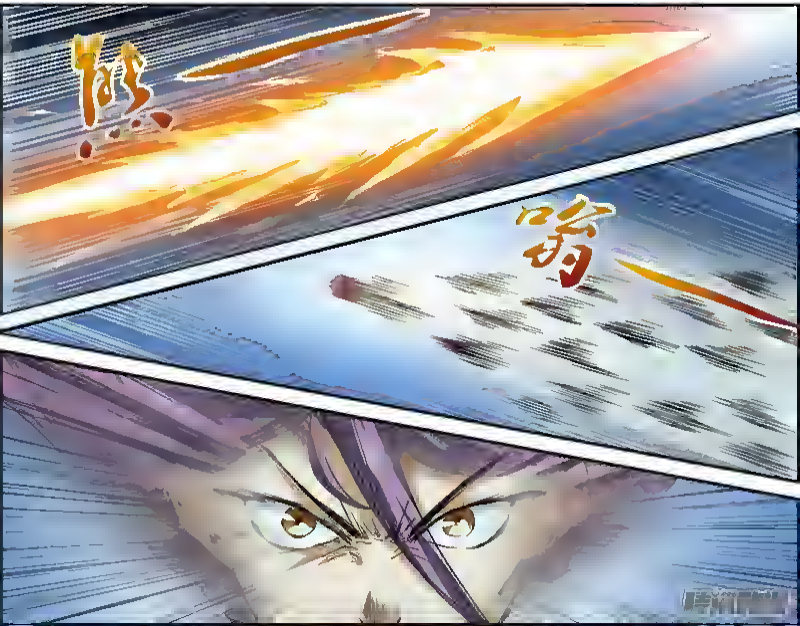
Locking on...
嗯？
唰
Want to dodge earlier?
It is only a prey struggle before dying

嗖
The weakness for this spell is it takes time to target ..
I must not stop!
啪
let me stop him....
I'm going to make them mess up so I can camauflage!

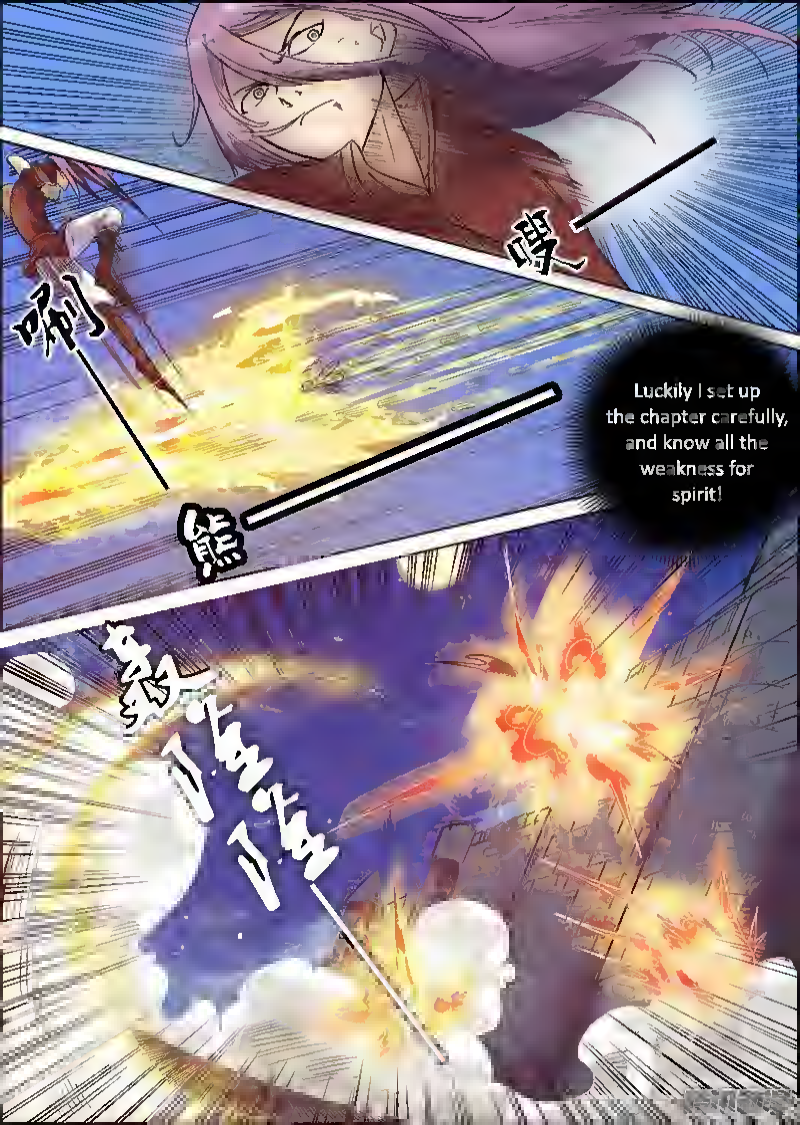
Fire cheetah release fire breath!
His spell effect area is fan shape....



Green spirit chase them!
And conincidently Bloody Fire fly is scared of fire...



嗡
嗡



嗖
唰
熊
Luckily I set up the chapter carefully, and know all the weakness for spirit!

It is to messy...
If I lock on by force it will hurt our own teammate.
That guy is using us as arrow plate.
A man should fight like a man!
I need to stop him...
Ah,I remember duel with Xiao Min before...

Hairball Town
Don't even talk about attacking I can't even follow up with you.
呼
呼
Don't use your eyes use your brain to predict it....
Analyze his movement and the way he fight.
Especially....
...when the enemy is focusing on something else!

嗒
嗒
Hu...my bone is making sounds,must keep on running...
Gong Cheng Liu Sword Skill...
噗
Words plum .....
Yi!
Must not let him finish casting spell!
唰

拍！
Bastard!
啪！
Hu...good!
Next target..
breast is his sensitive area the setting is still here!

Xiao Ming brother is right!
Tang Yuan! Right now!!
轰隆
轰隆

野蛮冲撞！
砍

Ke...I think my bone snap.....
Dumb Shao... I be fond you for nothing.....
Target lock on Ji Guang cast spell.....

光束咆哮！

Is this the end
